

NAME _____ HOUR _____

Reference Source (your print reference book article)

Article/Entry

Authors of article/entry: (look at the beginning or end of the article for the author if there isn't one given on the title page)

First name Middle name Last name or group Suffix
(II or Jr.—not Ph.D. or M.D.)

Article/entry title: (enter exactly as it appears in the source—the exception is when the capitalization is incorrect—correct it if it is)

Pages: (enter the exact range of pages for the article (including supplementary information at the end of the article)—first page in the Start box; last page in the End box)

Start: _____ End: _____

Reference Source

Contributors to the reference source as a whole: (choose Editor for Role (drop-down box) then enter the editor(s) here)

First name Middle name Last name or group Suffix

Type of reference source: You may change this choice from encyclopedia to other, but it isn't necessary to do so.

Title of encyclopedia (or reference source): (if there is a main title and a subtitle, enter both—separate the two with a colon)

Title of volume in multivolume set (if individually titled) (this will usually be **blank**) Volume: (enter the number only—enter as an arabic numeral—e.g., 5 not V) Total # volumes (leave this blank)

Publisher: (this is a company name—not the name of a person who has that job title)

Year: (look on the copyright page—usually the back of the title page—use the most recent year if more than one year is given)

Publication city (if needed) (leave this blank)

Edition: (if there is an edition given (there may not be), enter as 1st, 2nd, 3rd, etc. (do not spell out even if the source does) or rev. (abbreviate—do not spell out revised even if the source does) —do **NOT** enter ed. after the edition)

Series name: (most reference books don't have one—but a few of yours do)

Series number: (leave this blank)
