

## FRESHMAN LIBRARY ORIENTATION

### *DESTINY* ACTIVITY (10 questions)

After opening the program, click on the blue link, “Metamora High School Library Catalog.”

Type the following titles in the Find box then hit Enter (do not select any of the boxes under Find). Write the complete call number (look for the line labeled Call #) for each one of these (you may see both a main title and a subtitle for some of these—you have the correct one as long as the beginning of the title matches what you typed in the search box).

3) *Why the Towers Fell* \_\_\_\_\_

4) *Mortal Engines* \_\_\_\_\_
