Murder of Crows

When Tig Torres first moved back to her hometown of Hollow Falls, she solved the infamous Lit Killer case--and cleared her late Aunt Beth's name in the process. Tig's work on the case brought her to the attention of Hollow Falls's local armchair detective group, the Murder of Crows. The eccentric group is obsessed with their town's dark past--but their interests extend far beyond the Lit Killer. Members of the group are fixated on a decades-long search for the missing body of Hollow Falls's founder. There are rumors about what's buried with the body that could be life-changing for whoever finds it. With a mission like that underway, it's not long before a member of the Murder of Crows turns up dead. Soon Tig and her friends Max and Wyn are tangled up in the search, too. But the stakes are getting higher and the hunt more dangerous. Someone's willing to kill to keep the town's secrets buried, and if Tig's not careful, she'll be the next victim.

Olivia McAfee knows what it feels like to start over. Her picture-perfect life--living in Boston, married to a brilliant cardiothoracic surgeon, raising a beautiful son, Asher--was upended when her husband revealed a darker side. She never imagined she would end up back in her sleepy New Hampshire hometown, living in the house she grew up in, and taking over her father's beekeeping business. Lily Campanello is familiar with do-overs, too. When she and her mom relocate to Adams, New Hampshire, for her final year of high school, they both hope it will be a fresh start. Their paths cross when Asher falls for the new girl in school, and Lily can't help but fall for him, too. With Ash, she feels happy for the first time. Yet at times, she wonders if she can trust him completely. Then one day, Olivia receives a phone call: Lily is dead, and Asher is being questioned by the police. Olivia is adamant that her son is innocent. But she would be lying if she didn't acknowledge the flashes of his father's temper in him. As the case against him unfolds, she realizes he's hidden more than he's shared with her.

Their Vicious Games

You must work twice as hard to get half as much. Adina Walker has known this the entire time she's been on scholarship at the prestigious Edgewater Academy--a school for the rich (and mostly white) upper class of New England. It's why she works so hard to be perfect and above reproach, no matter what she must force beneath the surface. Even one slip can cost you everything. And it does. One fight, one moment of lost control, leaves Adina blacklisted from her top choice Ivy League college and any other. Her only chance to regain the future she's sacrificed everything for is the Finish, a high-stakes contest sponsored by Edgewater's founding family in which twelve young, ambitious women with exceptional promise are selected to compete in three mysterious events: the Ride, the Raid, and the Royale. The winner will be granted entry into the fold of the Remington family, whose wealth and power can open any door. But when she arrives at the Finish, Adina quickly gets the feeling that something isn't quite right with both the Remingtons and her competition, and soon it becomes clear that this larger-than-life prize can only come at an even greater cost. The Finish's stakes aren't just make or break... they're life and death.
